- SPECIAL PROVISIONS
- TYPES OF PERMITS ISSUED
- PILOT CAR REQUIREMENTS
- TRUCK ROUTE MAP
- VALID LICENSE LIST (ANNUAL)

*City of Fontana
8353 Sierra Avenue
Fontana, CA 92335
(909) 350-6730*

OVERSIZE LOADS SPECIAL PROVISIONS

1. The City requires a minimum of two working days to process and issue oversize load permits. Over-limit loads will require three working days for review and approval.
2. City of Fontana assumes no duty and makes no representation regarding the route selected or as to the safety on any proposed route. It is the duty of all permit applicants to insure the proposed route will be of adequate height, width, and safe for the needs of the oversize load. This includes contacting utilities to resolve potential conflicts with any surface-mounted or overhead facilities.
3. Applicant shall save, keep, and hold harmless to the City of Fontana, its officers or agents from all damages, costs or expenses in law or equity that may at any time arise or be set up because of or in the course of performing work authorized by this permit which may be occasioned by any act or omission of the permittee.
4. All permits issued shall be of original nature with no items being crossed out or changed.
5. Permit is only valid for designated truck routes with exception to site, and/ or delivery within city limits. These routes are subject to review by the City's Traffic Engineer.
6. The City's Traffic Engineer or his representative may at the time of issuance of said permit, reduce the gross weight limitations stated herein, provided the specific designated City truck routes to be used in moving said oversize loads would, in the City's Traffic Engineer's opinion, be materially damaged. In addition, it is the responsibility of the permittee to maintain valid insurance throughout the duration of the permit. The minimum amount of liability insurance required is one million dollars. Also, the City shall be listed as additional insured under the policy. Failure to maintain current insurance shall cause the permit to be null and void.

Fontana, CA 92335
(909) 350-6730*

OVERSIZE LOADS TYPES OF PERMITS ISSUED

1. **Annual Permits** are valid from the date of issuance to the expiration date not to exceed three hundred and sixty-five (365) consecutive calendar days. Loads covered by annual permits shall not exceed fifteen (15) feet in width, sixteen (16) feet in height, one hundred twenty-five (125) tons in gross weight and one hundred thirty-five (135) feet in length, and conforming to the weight, axle number, and wheel loading requirements of the State as provided in the California Vehicle Code, Section 35550 and 35551. Note: A list of all license numbers of the vehicles to be covered by this permit shall be attached to the application. The fee for an annual permit is \$90.00
2. **Annual Permits (Route Specific)** are issued for loads between fifteen (15) and eighteen (18) feet wide, sixteen (16) and eighteen (18) feet high and are limited to a specific route. The fee for this type of permit is \$90.00.
3. **One-Way Permits (Within Limits)** are valid for a maximum of (3) consecutive calendar days. The load shall not exceed the limitations listed under the "Annual Permits" section. The fee for a one-way permit is \$16.00
4. **One-Way Permit (Over Limits)** are issued for loads exceeding the limitations listed under the "Annual and One-Way Permits" sections. **Over Limit Loads** will be reviewed by the City's Traffic Engineering section on a case by case basis. The permittee may require (if greater than 16' in width or 18' in height) an escort by the City. In addition, the permittee may be restricted to the **Super Load** route, as defined by the City's Traffic Engineer. The fee for an **Over Limit Load** is \$100.00. If it is determined that a City escort is necessary, an additional fee to cover overtime costs (with a four hour minimum) will be required. This fee is based upon standard overtime rates per the City's annual adopted compensation fee schedule as approved by the City Council.
