

“COMMUNITY CONNECTION” Monthly Newsletter Story Suggestion Form

In an effort to improve communication with our residents and keep them informed about the exciting projects and activities throughout the City, three versions of Community Connection will be produced on a regular basis, including the e-newsletter, a video version that will air monthly on KFON, Channel 3, and a print version that will be distributed quarterly at all public counters and community meetings/events. As community members, we need your assistance keeping the information as up to date as possible with the latest activities and timelines.

If you have a story idea or know about a new project taking place, please complete this form, either on-line or after printing, and submit it to the Community Services Department by faxing it to (909) 428-2546, attention Kyla Brown or by mail to: Community Connection Newsletter Suggestions, Attn: Kyla Brown, 8353 Sierra Ave, Fontana, CA 92335-3528. Your assistance is greatly appreciated!

Please describe below your story idea for the City of Fontana’s monthly “Community Connection” news story. Be sure to include as much information as you can.

WHAT is your story suggestion? (i.e., name of project/activity/event, or short description of ideas.)

WHERE will this take place (location of project/activity/event)?

WHEN will this take place (if a project, what is the estimated date of completion)?

WHO will be participating/attending? (or, if a project, who will be positively affected by it?)

WHO is organizing this project/event/activity?

WHY is it taking place? (i.e. annual event or fundraiser for certain group, to solve a problem, etc.)

HOW does this story relate to the viewers/residents of Fontana?

Other important information:

Contact person for story: (who is in charge or responsible for the project/event/activity?)

Name of person & title and/or department submitting form:

Contact number if we have any further questions?

Thank you for your input and remember to stay “plugged in” to Community Connection via the internet at www.fontana.org, on KFON Community Television Channel 3, or in your local community building to see your story and to be updated on other projects every month!
