FAQ's About Dog License

- What paperwork do I need to get a dog license? A current rabies certificate and the spay/neuter certificate is needed.
- Do I have to spay/neuter my dog? Altering your dog is a personal choice. However, the fees for unaltered dogs is significantly higher than the altered fees.
- Will I get a reminder to renew my license? A yellow postcard will be mailed to you. The postcard has all of your information as well as your dogs information. We recommend that you bring in the postcard when you renew your license. Ultimately, it is the responsibility of the owner to remember to renew their license on time.
- How long do I have to get my dog licensed? You have within 30 days of owning your dog, or within 30 days of moving into the City of Fontana.
- Does my dog have to wear the license? Yes, the license must be attached to the dog's collar or harness.
- Why did I get a courtesy notice on my door? Courtesy notices are posted throughout the city. The notices are to ensure that all dogs residing in the city have current licenses. If your dog is currently licensed and you receive a notice, you may disregard the notice.
- Can I license my dog for more than 1 year? Multiple year licenses may be purchased if the rabies is valid for more than the current license year.
