HELP US KEEP OUR
COMMUNITY SAFE BY
REPORTING DAMAGED
OR NON-WORKING
STREET LIGHTS

To report a damaged or non-working street light:

- Call 357-OUTT (357-6888).
- Report nearest street address. If there is no street address, please report which side (north, south, east, or west) the street light pole is on.
- Report nearest cross street.
- Report tag number from light pole (found about 4ft. up pole from ground).

Please be as specific as possible.

Report any other damage such as broken lens, open door on fixtures, or missing fixtures also.

Street lights should be repaired within two weeks, otherwise please report again.
