Management Services

Fiscal Year 2014-15

Overview

The Management Services Department is responsible for managing and protecting the City's financial assets while providing excellent customer service. The department is comprised of five divisions (Administration, Accounting, Budget/Payroll, Customer Service and Purchasing). Responsibilities range from daily administration of City fiscal resources to long-range financial planning. Financial policies, plans and reporting systems support the operating departments in achieving their objectives and assure the City's long-term fiscal health.

Administration manages the treasury function, debt issuance and internal audit. Accounting is responsible for the general ledger, accounts payable, fixed asset management, and special districts. Budget/Payroll prepares and monitors the operating budget, capital improvement program and payroll. Customer service handles accounts receivable, utility billing, business license, passport services, dog licensing and cashing. Purchasing is responsible for the procurement of materials, supplies and equipment, monitoring the Cal-Card program, providing for the disposal of surplus property, and overseeing the shipping and receiving services and City-wide postage.
