NOTE: APPLICATIONS FOR PLAN CHECK ARE VALID FOR 180 DAYS FROM THE DATE OF THE FIRST APPLICATION. (All applications for which no permit is issued within 180 days following the date of application shall expire by limitation, and plans and any other data submitted for review may thereafter be destroyed or returned to the applicant, at the sole discretion of the Fire Prevention Division. The Fire Prevention Division, upon receiving written request from the applicant showing that circumstances beyond the control of the applicant have prevented action from being taken, may extend the time for action by the applicant for a single period not exceeding 180 days. No application shall be extended more than once. In order to renew action on an application after expiration, the applicant shall resubmit a new complete application (plans, calculations and other data) and pay a new plan check fee.
