

FONTANA POLICE DEPARTMENT

WE WANT YOU!

V.P.O.P. are highly visible, uniformed volunteers assisting the Police Department in making the city parks safer for the community by providing extra “eyes and ears” within park perimeters. V.P.O.P. will become familiar with the parks and it’s patrons to ultimately keep vigil for abnormal or suspicious activity. V.P.O.P. are also considered one of the police department’s public relations units and the community is encouraged to positively engage and become familiar with these volunteers.

Make a difference in your community, join V.P.O.P.
