

Welcome Teen Campers!

On behalf of the City of Fontana and the Fontana Youth Programs, we are glad that you have decided to join in our camp this year! We are so excited about this year's camp experience. We are proud to offer this exciting summer camp that will engage teens and take them on unforgettable adventures! Our goal is to make the Fontana Teen Summer Camp a safe and fun environment for your teens to be this summer. The activities are designed to foster growth and development by instilling self-confidence, respect for others and encouraging passion in new aspects. Teens will explore the world through team building, exploration, technology, music, adventure and more. We know that entrusting your teens to others is always a significant decision and we are proud to be the ones that you trust.

Online registration begins on Saturday, April 1, 2017 for Fontana Residents at 8:00am. Walk in Registration for Fontana Residents will begin on Saturday, May 06, 2017 and Non Residents will begin on Saturday, May 13, 2017.

Registration is on a first come first served basis and spots fill up quickly! There are no refunds for Teen Camp so make sure to double check your summer schedule when registering for one or all eight of our one week sessions.

In addition to the above, campers will be provided daily with free lunch and snack. During Teen camp we go on excursions twice a week, some of these excursion dates we do not provide lunch and snack, so please ensure that you send your child with lunch and snack. Please note that you can still provide your child with their own lunch and additional snacks. If your child has dietary needs, please contact the Jack Bulik Hotline so that we can provide you with the dietary need form.
