

CAMP IMAGINATION

Welcome Campers!

The City of Fontana's Cypress Neighborhood Center looks forward to your participation in the 2019 Camp Imagination Program. Camp Imagination aims to provide knowledge, involvement, unity, and fun for all our campers. Each week is themed with a variety of related games, crafts, and activities that will leave your child excited for the following day!

The Miller Fitness Center will host afternoon swimming for all campers on Tuesday and Thursday afternoons to cool off from the hot summer sun. On pool days, please have your camper prepared with their swim attire under their clothes with a change of undergarments packed and ready to change into after swim. Campers will be assessed by aquatics staff and provided with a wristband based on their level of swimming ability.

Please dress your camper appropriately for daily activities in comfortable clothing and tennis shoes. Closed toed shoes are required for morning activities. Sandals or open toed shoes will be allowed during swim times on Tuesday and Thursday afternoons only.

A lunch and afternoon snack are provided free of charge by Fontana Unified School District's Summer Food Program. Parents are responsible for providing a morning snack for their camper.

Camp check-in begins at 9:00 AM where campers will be greeted by staff, friends, and games. Campers will then transition into a various activities throughout the day. Our scheduled activities are subject to change and some may require grouping of all campers, otherwise your camper will be grouped with others of a similar age. Camp days conclude at 5:00 PM. Parents and/or legal guardians are expected to provide proof of identification at the time of sign out. Please note there is a \$1 late fee for every minute past the 5 minute grace period.

Don't miss out on all the fun! Beat the crowd and register online beginning April 6, 2019 for all Fontana Residents. Walk-in registration is available at any of our Fontana Community Centers beginning May 4, 2019 for Fontana Residents and May 11, 2019 for Non-Residents. Please be advised that registration works on a first come, first served basis and spots fill up quickly. Before enrolling your camper(s) be sure to double check your summer schedule when registering; no refunds will be issued for Camp Imagination. Verification of residency are required one week prior to camp start day.

We look forward to a fun filled summer!
