Purpose of the Program

The purpose of the Tiny Tots Program is to provide a healthy, happy, secure, creative, and stimulating atmosphere for the growth and development of children at a reasonable cost to the parents.

Philosophy

This program is designed to create an environment of love and trust where children can grow emotionally, intellectually, socially, and physically. Staff-directed activities are planned specifically for the progression of learning in physical, intellectual, social, and emotional development. We believe that children learn best through interactions with other children and adults.

Registration Information

The following items are required at the time of registration:

- Copy of child’s birth certificate
- Copy of child’s immunization records
  - In California, state law provides for mandatory vaccinations for diphtheria, hepatitis, influenza, measles, mumps, pertussis, poliomyelitis, rubella and tetanus, and any other diseases designated by the Department of Health Services in consultation with the Center for Disease Control and the American Academy of Pediatrics.
- Signed waiver (yellow card attached in this packet)
- Signed parent agreement form (back page of this packet)
- Signed student information forms (health, and pick up information)
- Copy of priority registration and signed understanding of priority registration
- Check, Cash, Money Order, or major credit card payment of $88.00 per month

Registration for the Tiny Tots Program will only be accepted at the site you wish to participate in.

Days of Operation: Mon/Wed or Tue/Thurs

Hours of Operation: 8:30 a.m. to 11:20 a.m.
Or
12:10 p.m. to 3:00 p.m.

*Please see posted monthly schedule at each site for specific daily activity information*

**PROGRAM CONTENT**

The Tiny Tot Program provides a warm nurturing environment for children to grow and learn. Each child is unique with individual interests and needs. Our age-specified programs are planned to be flexible and promote development of each child’s physical and social needs. **The Tiny Tot Program is a recreational based program, not a licensed daycare.**

**Outdoor Play:**
Fresh air and exercise are important to a child’s good health at our program. Participants may be going outside to play (when time/weather allows). Children will not go out during smog alerts. Each child is required to wear **closed toed shoes** daily.
**Share Day:**
Share days are scheduled by your child’s teacher. Items brought for share time may not be played with during class time. Each child will be called up to talk about their item during circle time. This allows children to strengthen their vocabulary & social skills. Please no play guns, knives, swords, etc.

**Discipline:**
There will be no corporal punishment allowed. Children may be put in a “thinking chair”, away from the other children and activities, for a brief period of time, or re-directed to another activity until the child is ready to join the other children. The City of Fontana Tiny Tots Program reserves the right to remove a child from our program if his/her behavior is inappropriate. First, the parents will be notified of a problem. Then, if need be, the child’s parents will be given a written notice when that child is to be expelled from the program. If a child is allowed to remain in the Tiny Tots Program after a severe rule infraction, they will enter into a “Behavior Contract” with the child’s instructor (see attached). The City of Fontana reserves the right to remove a child from Tiny Tots without prior notification of parents if circumstances are deemed severe enough by staff.

**SNACK**
We ask that each parent provide a snack for their child. Parents who wish to provide a snack for the whole class during special occasions (birthdays, holidays, classroom events) may do so, with prior permission from teacher. All snacks must be store bought and pre-packaged. We prefer each child has their own snack/drink provided from home so parents know what their child is eating, especially if the child is allergic to certain types of food. *Please NO CANDY, soda, or snacks with high sugar content.

**Bathroom Use**
The City of Fontana Tiny Tot Program is designed for students who are fully potty trained (have mastered using the bathroom on their own). Regardless of age, a child will not be permitted in the program if they are not self-sufficient in using the restroom on their own. This includes letting staff know when they need to use the restroom, being able to unbutton, unsnap, unzip, etc. all clothes and sitting on the toilet or standing in the proper position unaided. Students must also be able to clean up after themselves on their own. **Diapers or Pull ups will not be permitted.** Staff will not keep a change of clothes for students in the event of “accidents”.

If a Tiny Tot Participant has an accident during Tiny Tot Programming the following protocol will be followed:
- Staff will call the parent/guardian of the participant, or those individuals in the order as authorized emergency contacts if parent/guardian cannot be reached, to notify of situation. Parent/guardian or emergency contact will be made aware of options to bring a change of clothing or take home participant for the day, depending on the severity of the occurrence.
- Participant will be seated inside of classroom and be given snack, toy, or craft until arrival of parent/guardian or emergency contact. Depending on severity of the
accident, student may be directed to the restroom and provided with diaper wipes, toilet paper, wet paper towels, etc. to clean themselves.

- Upon arrival, parent/guardian or emergency contact will be given the opportunity to remove the participant from the Tiny Tot classroom; change participants set of clothing, and return participant to the classroom. Parent/guardian or emergency contact may be asked by Tiny Tot staff to take participant home for the day depending on severity and number of occurrence.
- Staff may notify you that your Tiny Tot participant may not be ready to participate in the Tiny Tot Program due to the severity or frequency of bathroom accidents. If staff advise parents of this, a refund for the amount of days not utilized will be made.

**BIRTHDAYS**
We are more than happy to celebrate your child’s birthday with the class. If you would like to have a party for your child in the class, we will be happy to help. Here are some guidelines:

1. Inform the instructors a **minimum one week** prior to the party so the instructors can plan around it.
2. The last thirty minutes of class or snack time will be given to celebrate.
3. Parents do not have to be present during festivities but as always, you are welcome to join the fun.
4. Only individuals who have filled out a Volunteer Form and have cleared processing through the City of Fontana Human Resources Department will be allowed in the classroom during birthdays.
5. No “tag-a-long” during Tiny Tot hours. (brothers, sisters, neighbors, friends etc.)

**CLOTHING**
What Your Child Should Wear to School:
Think of your child’s comfort and provide simple clothing that is free of complicated fastenings. There are many articles that could get caught on equipment while your child is playing. Due to possible injury to your child, our program will not allow any type of drawstrings around hoods or neck. If your child comes to our program with an article as described above, a teacher will attempt to take the string out and put it out of reach of the child. The string will be sent home at the end of the day. It is important that your child wear **CLOSED TOED SHOES** at all times. Your child will be working with art materials and other messy activities please provide clothing that is sturdy. A typical day in Tiny Tots involves your child engaging in messy activities such as painting, gluing, and outside play. Please dress your child in clothes that can get dirty!

Please mark your child’s sweater/jacket, as well as, other belongings, with permanent marker to avoid the article of clothing being placed in our “Lost and Found”. It is recommended that your child wear leggings or shorts under dresses.
ARRIVAL AND DISMISSAL

Class hours are from 8:30 a.m. to 11:20 a.m. and/or 12:10 p.m. to 3:00 p.m.

ARRIVAL:
Please arrive no earlier than 8:30 a.m. and/or 12:10 p.m. for the beginning of class. DOOR WILL NOT BE OPEN prior to these times. This is very important; the instructors need time to prepare the classroom for the day and are not free to supervise children until these times. Please have your child use the restroom, if needed, before entering the classroom. The doors will open at 8:30 a.m. and 12:10 p.m. Avoid bringing your child much later than 8:30 a.m. and/ or 12:10 p.m., as he/she may feel uncomfortable about arriving after the other children have become involved in play activities.

DISMISSAL:
Please arrive between 11:15 -11:20 a.m. and/or 2:55-3:00 p.m. when picking up your child from Tiny Tots. If you know that you are going to be detained, please notify staff immediately so that we can reassure your child. (A late fee of $1.00 per minute per child will be charged for late pick-ups) If you incur a late fee, the fee must be paid and a receipt must be shown to Tiny Tot Staff prior to the student returning to class.

If you are picking up your child early please knock on the door and wait for a staff member to open it so that staff has an accurate count of all students. When possible, please inform staff if you know beforehand that you will be picking up your child early and we will have your child ready at that time for you.

SIGN IN & OUT

Sign In:
It is imperative that you or an authorized person with proper identification sign in your child each morning when arriving to the site. A full signature along with the time you are signing the student in is required when signing child in. Your child must be accompanied to his/her room and to the care of a teacher. The staff uses these roll sheets to determine which children are at the center at any given time. If there is an emergency, the staff needs to have an accurate roll sheet.

Sign Out:
When you pick up your child each day, you must go into the center and sign your child out. A full signature along with the time you are signing the student out is required when signing your child in and out. Please ensure that when signing out your child that you bring identification daily as we may ask for it at any time. By coming in daily, you give the staff an opportunity to inform you of any upcoming events or special activities and pick up any messages or receipts that the staff may have for you. When you come into the center, you can also inform the staff of any special instructions you have about your child. We understand that there are occasions when you may be late.
and your visits will be short, but you need to take the time to sign your child in EACH MORNING and/or out EACH AFTERNOON. This is for your child’s protection.

It is very important that all children are kept close to their parent/guardian at all times when signing in to the Tiny Tot Program. Children must also be kept close to parents after signing out of the Tiny Tot Program. For your child’s safety your child will not be permitted to roam unattended in the interior or exterior of the center including the parking lot regardless of whether your child has been signed out of the program or has yet to be signed in. Please allow for adequate room for others after you have completed signing in/out your child by leaving the immediate area.

There are times when other programming at the centers limit parking. Please allow ample time to park in a designated parking space. Handicap parking spaces are for individuals who possess the required placards on/in their vehicle. Failure to adhere to any parking rules can result in a ticket.

All Neighborhood and Community Centers are built for the enjoyment of the entire community. Please discuss with your child the importance of respecting the center and its amenities (including furniture, landscaping etc.) so that everyone in the community can enjoy the centers at its best at all times.

**AUTHORIZATION TO PICK UP CHILD**

Only individuals on the authorization pick up list (must be a minimum of 18 years old) may pick up your child. The staff will question anyone who is unfamiliar to them and the staff will check that person’s driver’s license and authorization to pick up a child. This includes parents. If you want to add a person to your list, forms are available for you to fill out. It is imperative that your entire child’s paperwork is current and up to date.

**FINANCIAL POLICIES**

Tuition and late fees must be paid by check, cash, cashier’s check, money order, or credit card. There will be a $12.00 non-residents fee added to your tuition for all participants not living within the incorporated area of the City of Fontana.

**Refund Policy**

Refunds will only be considered if requested before the start of the second class. A $10.00 processing fee will apply to all refunds.
**Penalties for Late Pick-ups**

Children are to be picked up at the site daily by 11:20 a.m. and 3:00 p.m. If you know you are going to be detained, please contact the center immediately so that we can reassure your child. Even in these cases, there will be late pick up charge, but is still very important that we know you are on your way. The late fee will be $1.00 per minute, after 11:20 a.m. and/or 3:00 p.m. For example, if you arrive to the site at 11:30 a.m. and you have one child, you will owe $10.00. You will also be required to sign a “Late Slip”, which will be placed in your child’s file. Payment may be made at the time of arrival or may be made before your child returns to the next class. Proof that the late fee has been paid in the form of a receipt will need to be shown to Tiny Tot Staff prior to the student being able to return. If saving ten minutes means risking an accident, please drive safely and plan differently next time. Our program has no provisions for childcare after 11:20 a.m. and 3:00 p.m.; therefore consistent lateness will be cause for dismissal. According to state law, children left at the program 60 minutes after closing and no contact has been made, are considered abandoned children and the authorities will be contacted.

**HOLIDAYS**

Our program will be closed in observance of the holidays below:

New Year’s Day, Martin Luther King Jr. Birthday, Presidents Day, Spring Break, Memorial Day, Summer Break, 4th of July, Labor Day, Thanksgiving Day & Winter Break

**VACATION OR ABSENCES**

No credit will be given if your child is out sick or on vacation. The regular tuition must be paid. Please plan accordingly. It is recommended that you call your program center if your child will be absent due to vacation or illness.

**Practice Work**

Your child may receive practice work. Practice work will be given to parents who are interested to have their children practice sit down work at home. It is not mandatory but optional and is given as reinforcement to what the child is currently learning in class and to stimulate parent child involvement in the Tiny Tot program.

**ADJUSTMENT PERIOD**

Children react differently to new settings. Below are some normal responses you may see in your child’s behavior:

- There may be tears when you leave your child in the classroom. Many times the crying stops within a few minutes from when you leave.
- Your child may cry, as he/she is getting ready to come to school. Take this opportunity to talk with your child about their day and some of the things they will do.
• When you arrive to pick up your child, he/she may cry when he/she sees you. Hug your child and let them know that you missed them. Reinforce the fact that you came back and you will always come back.
• Some children may have a “delayed reaction”. They may be fine for the first few days but then begin crying on the third or fourth day. This may even occur on the 3rd or 4th week. Such behavior is still normal.
• The adjustment period could be very short, lasting only a few days; to very long, lasting up to six weeks.
• Your child may experience an increased number of potty accidents while going through this transition.
• Showing anger towards his/her environment may also occur. An example of this might be a child throwing toys or hitting more frequently. These actions usually subside as the child becomes more comfortable with the program.

To help prevent this, prepare your child for their new experience. Talk about this experience in a positive way. Do not address crying (i.e., “Be a big boy for mommy and do not cry!”) If your child does cry, be assured that your child is in good hands. You are welcome to call the program once you have reached your work place or home. This could relieve some of the anxiety the parent feels when you are informed your child is happy and enjoying an activity!

When you say goodbye to your child, keep the following in mind:

• Tell them where you are going and when you will be coming back.
• Give your child a good-bye hug and kiss.
• Be short, but sweet when leaving.
• Say happy things like, “have fun,” or “have a great day”…but do not say, “Be a good girl/boy.” Be specific, “Be a good listener. Smile!”
• Do not sneak out on your child, this could be very frightening when they realize you are gone. This could also prolong the adjustment period for your child. Always say goodbye even if it makes them cry, it will ease the transition.

The before mentioned situations are very normal scenarios that may occur. We are trained professionals and are very knowledgeable about how to handle most situations, but if we feel the adjustment period has lasted too long or your child is clearly upset by the transition, we will notify you. Very rarely are there incidents when a child is not adjusting to our program. Such behavior may occur for a variety of reasons. We feel it is our main goal for children to be successful and happy while here in our program, therefore, if necessary, alternative childcare may be recommended to ensure your child a successful experience.

**SICK CHILD POLICY**
We cannot accept children at our program who are ill. At such times, the child must remain away from the program until the illness has past and the child’s temperature has remained normal for 24 hours. A visual “wellness check” will be done daily by the
Tiny Tots staff. If staff determines your child may not be well enough to stay at Tiny Tots, staff may ask you not to leave your child. A doctor’s note will be required for your child if he/she is out of school due to illness longer than a week.

**The Center’s Guidelines for Sending Children Home:**
1. Temperature of 101 degrees or above
2. Two episodes of diarrhea within a 12 hour period
3. Two episodes of vomiting within a 12 hour period
4. Red, irritated, crusty, or runny eyes or sty’s, or pink eye
5. Thick yellow or green discharge from nose
6. Earache or discharge from ears
7. Rash
8. Persistent cough
9. Sore throat
10. Unexplainable pain/discomfort

**What happens if your child becomes ill while at Tiny Tots?**
If your child becomes ill while at Tiny Tots, we will notify you by phone so that, either you or a designated person can come for the child as quickly as possible. Your child will be kept comfortable until you arrive. Please be sure you keep Tiny Tots informed of any changes in your work or emergency phone numbers. If you cannot be reached, we will contact someone on your authorization list. When your child is running a high fever, it is extremely important you arrive to the Center quickly. If warranted, we may call the paramedics if temperature continues to rise. If your child has a contagious illness/disease, please contact us immediately after doctor verification.

**Guidelines for Keeping Your Child Home:**
1. Temperature of 100 degrees or above within 24 hours of Center attendance.
2. If your child has been diagnosed with an illness, antibiotics must be administered 48 hours before your child may return to day care.
3. Thick yellow or green discharge from the nose.
4. Earache or discharge from the ears.
5. Rash
6. Diarrhea or vomiting within 24 hours of Center attendance.
7. Red, irritated, crusty or runny eyes.
8. Pale or flushed skin.
9. Persistent cough.
10. Sore throat unchecked by a doctor for strep.

We reserve the right to change these guidelines as situations occur. A “return to school” note may be requested by us from your pediatrician.
**What Happens If Your Child Is Injured At The Center?**
If your child receives minor bumps and bruises, you will receive an “Ouch Report”. This report will describe the accident and the first aid given to your child.

For more serious accidents, the Instructor or Center Staff will take whatever steps necessary to provide emergency medical care, if warranted. These steps may include, but are not limited to the following:

1. Administer emergency action, if needed.
2. Attempt to contact the parent or guardian
3. Attempt to contact the parent or guardian through any of the persons listed on the emergency information form you completed for us.
4. If we cannot contact you, we will do any or all of the following: a) call an ambulance; b) call the paramedics; c) have the child taken to the nearest hospital in the company of a staff member.

**FIRE DRILLS AND EARTHQUAKE DRILLS**
Our program participates in monthly emergency drills. These drills are done randomly once a month. Our emergency preparedness procedures consist of fire and earthquake drills with the children, practicing our emergency evacuation procedure and storing emergency supplies. The children and the teachers move in an orderly manner to their designated evacuation assembly area. Attendance is taken and when the drill is complete, the children are escorted back to class. This can be very frightening for some children. Our philosophy is to ensure the children are comfortable with our procedure, in case there is ever an emergency, the children will feel secure and confident.

If we have to evacuate the building in case of a fire or earthquake, all the children will be supervised and escorted to our designated meeting spot, located at the north east corner of our parking lot. In the event that a major emergency occurs, we ask that parents come and pick up their child immediately; however please remember to bring proper identification when doing so.

**SMOGGY DAYS**
Each afternoon during the smoggy season, staff will call the Air Quality Management District to determine Pollutant Standards Index (PSI) level. If PSI levels are below 100, normal activities will occur. If PSI levels are between 100-200, only quiet outside activities will be allowed. PSI levels over 200 would be a stage one episode and children will remain indoors.

**SAFETY**
Please make sure your child stays with you when you are coming or going in the parking lot. Do not allow your child to run around cars or run ahead of you. Preschool children are too small to be seen by a driver backing up or driving into our parking area. If you are driving several children in a car pool, have them hold hands and stay with you to and from the car. Children under the age of six years (regardless of weight) or weighing less than 60 pounds (regardless of age), must be in an approved child car
seat. For the safety of your child, do not allow your child to run ahead of you. Please keep your child in visual contact at all times. We ask that only persons with Handicap Placards park in the designated Handicap Parking Spaces. All other vehicles that do not have the proper placard and are parked in the Handicap Spaces will be ticketed. All vehicles are prohibited from loading, unloading or parking in red zones. All traffic signs and laws will be enforced.

Walls, brick facades, steps and railings are not to be used as a play area. Please have all children under your care respect the facility.

PHOTOGRAPhS
Periodically, your child will be photographed during special activities. These photographs are, at times, posted at the center. Occasionally, the news media may photograph children for news articles. The release form in this packet must be signed and returned.

QUESTIONS/COMMENTS
It is important that you read any supplemental notes and newsletters that we may send home with your child. It is also very important to us that you feel free to be part of our program by offering suggestions, comments, and constructive criticism, as well as, moral support. The center coordinator and Tiny Tots instructor are available for appointments at any time. Please call your child’s center for an appointment.

CLASSROOM HELPERS/VOLUNTEERS
If you are interested in volunteering in your child’s classroom please see the center coordinator. You will need to fill out a “Volunteer application” as well as be finger printed and put on a schedule. If you are cleared to volunteer in the classroom “tag-a-longs” will not be allowed.

Classroom volunteers are needed for special events, class parties and special learning projects. Staff will notify you at least two (2) weeks prior to the date in which you are to volunteer. As a reminder only “cleared” individual (volunteer application and fingerprints on file) will be allowed to volunteer in the classroom.

REGISTRATION
Please remember you are responsible for registering your child/children in the following month’s program. You can lose your spot by not following the registration date. We do our best to post reminders as well as giving verbal reminders, however, it is solely the responsibility of the parent. Please see attached registration dates.

Waiting lists for any Community or Neighborhood Center program is cleared after each month. If you want to continue to be placed on a waiting list you must do so each new session, for each class.
Priority Registration Information
(2019-2020 Calendar Year)

June 2019 Session
- Priority Registration for resident currently registered in class – May 20
- Resident registration begins for those not currently registered in class – May 28
- Non-Resident registration begins – May 31

July 2019 Session
- Priority Registration for resident currently registered in class – June 17
- Resident registration begins for those not currently registered in class – June 24
- Non-Resident registration begins – June 28

August 2019 Session
- Priority Registration for resident currently registered in class – July 22
- Resident registration begins for those not currently registered in class – July 29
- Non-Resident registration begins – August 2

September 2019 Session
- Priority Registration for resident currently registered in class – August 19
- Resident registration begins for those not currently registered in class – August 26
- Non-Resident registration begins – August 30

October 2019 Session
- Priority Registration for resident currently registered in class – September 16
- Resident registration begins for those not currently registered in class – September 23
- Non-Resident registration begins – September 27

November 2019 Session
- Priority Registration for resident currently registered in class – October 14
- Resident registration begins for those not currently registered in class – October 21
- Non-Resident registration begins – October 25

December 2019 Session
- Priority Registration for resident currently registered in class – November 11
- Resident registration begins for those not currently registered in class – November 18
- Non-Resident registration begins – November 22

January 2020 Session
- Priority Registration for resident currently registered in class – December 16
- Resident registration begins for those not currently registered in class – December 30
- Non-Resident registration begins – January 3

February 2020 Session
- Priority Registration for resident currently registered in class – January 21
- Resident registration begins for those not currently registered in class – January 27
- Non-Resident registration begins – January 31
Registration Checklist
(To be completed by center staff)

Tiny Tot Program

2019-2020 School Year
Parent Contract

The goal of the Fontana Tiny Tot Program is to provide a healthy, happy, secure, creative, safe, and stimulating atmosphere for the growth and development of children. Parent support is essential in achieving results for the future of our children.

Student’s Name: ___________________________ Age: ____________
Teacher’s Name: ___________________________ Day/Time of Class: ______
Parent’s Name: ___________________________ Phone Number: ____________

As a parent/guardian, I will:
- Support the Fontana Tiny Tot Program Discipline Plan.
- Meet with Fontana Tiny Tot Program Staff after every behavior infraction in accordance with the Discipline Policies.
- I understand that continuous behavioral infractions will result in the following Disciplinary Actions, and may result in a program suspension.

Disciplinary Actions
1. Verbal Warning (up to 3 times)
2. Thinking Chair/Re-direction to another activity
3. Parent Meeting with Center Coordinator
- My designated person(s) or I will attend parent/instructor/coordinator meetings when necessary.
- I understand that disruptive, disrespectful, and/or unsafe behavior from my child, or me, will not be tolerated and will result in immediate and permanent dismissal from the program, as referred to in the City of Fontana Community Services Department Tiny Tot Program Registration Packet.

I have read and agree to adhere to all the above mentioned Parent/Child Rules and Policies and will go over it with my child to ensure that they understand and abide with the rules.
