GRID ART

WHAT IS GRID ART?

- It is a way to enlarge an image that you want to paint or draw.
- Grid drawing was used hundreds of years ago in Ancient Egypt.

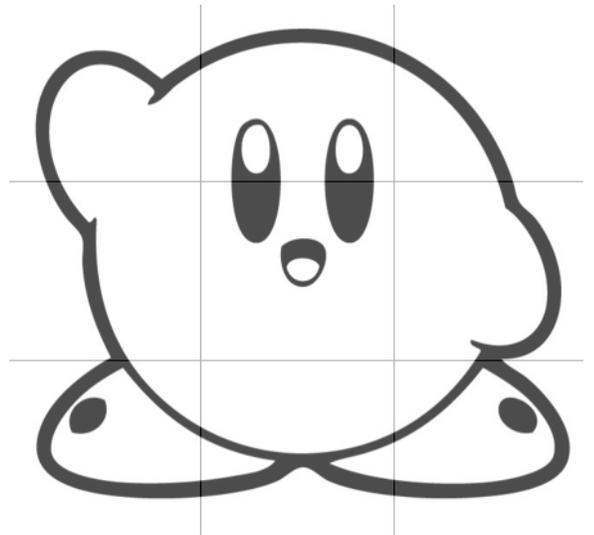

MATERIALS

- Blank Sheet of Paper
- Pencil
- Ruler
- Image you want to enlarge (Make bigger)
 - This can be a:
 - Favorite character from a book
 - Photograph
 - Cereal Box Cover
- Eraser
- Markers or color pencils (Optional)

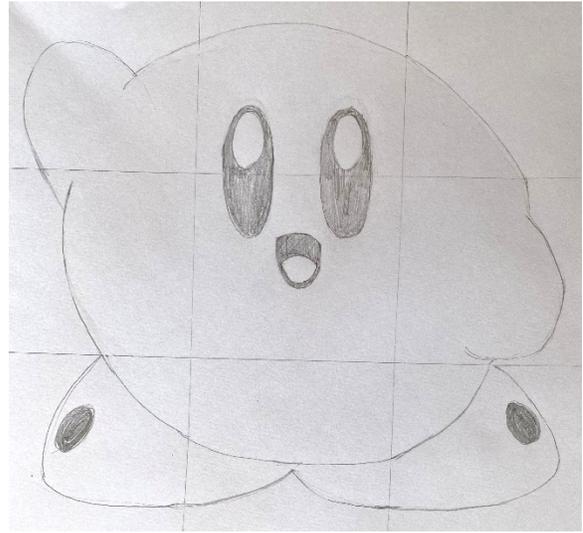

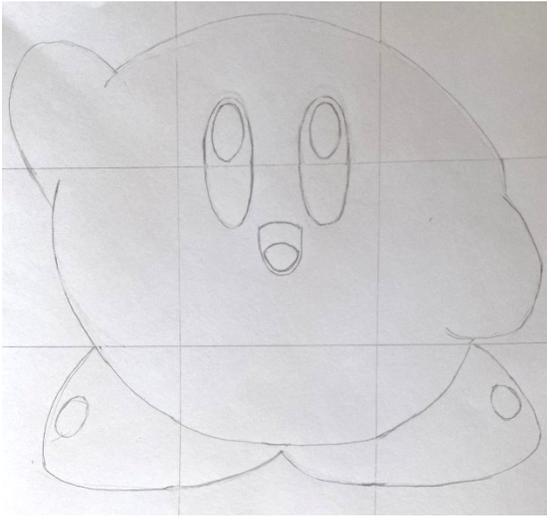

STEPS

1. Gather all your materials
2. Draw an even grid on your picture by using a pencil
 - Make even vertical and horizontal lines across your picture
 - **See Example 1**
3. Next, transfer the same grid lines to your canvas, this is the blank piece of paper where you will draw your image.

EXAMPLE 1

4. Then, draw the image on your canvas, focusing on one square at a time, until the entire image has been transferred.

5. Once you're finished, simply erase the grid lines
6. Now you can go ahead and color the image with markers, color pencils, or even paint.

VARIATIONS/MODIFICATIONS

- Can you come up with your own way to make drawing easier?
