LEAF ANIMAL CRAFT

Inspired by the book, *Look What I did With a Leaf* by Morteza E. Sohi. This activity will allow you to develop an artistic eye and help you see the artistic possibilities that surround you by using things you find in nature. This project is a combination of nature craft and art theory. Take inspiration from your natural surroundings, with a little imagination flowers, leaves, twigs etc. can become a masterpiece.

MATERIALS:

- Leaves
- Flowers
- Twigs
- Glue
- Paper
- Marker

INSTRUCTION:

1. Collect leaves, flowers and twigs from your garden or while on a walk through your neighborhood

2. On a piece of paper arrange the leaves to form the shape of an animal and glue them in place

3. Using the marker draw the face, body, legs and arms details

MODIFICATIONS/ VARIATIONS:

You can make leaf alphabet posters or create outfits for your stick figures.
