Dear Mayor Warren and members of the Fontana City Council,

My name is Anam, and I am a Fontana resident. After reviewing the current draft maps listed and scheduled to be discussed during the Redistricting Draft Maps process, I support Public Map 401. This map keeps communities of interest together, such as the Southern and Northern portions of Fontana. It is crucial for these communities to remain whole and not be separated, based on the current impacts Fontana residents are facing such as: the influx of warehousing, diesel truck pollution, healthcare, and traffic concerns. Public Map 401 arranges the city based on the diverse demographics of the city. Additionally, Map 401 complies with all the Fair Maps Act, Voting Rights Act, Equal Population Distribution. Furthermore, I oppose Maps 102, 103, 104, 402, 403. As a resident of this city, I urge our leaders to listen to the community. Each district deserves fair representation based on the population, Citizen Voting Age Population (CVAP), schools, and shopping centers. Therefore, we ask you to please keep our communities intact and vote on Public Map 401.

Anam

Bring back community map 401 it needs to be brought back for consideration. Southridge 18 years resident.

Thank you,

Maria Enciso
