

**City of Fontana – Economic Development
Alternative Fuel Vehicle Rebate Program
8353 Sierra Ave Fontana CA 92335
Overview**

PURPOSE:

The Alternative Fuel Vehicle Rebate Program is designed to encourage the purchase and lease of alternative fuel or hybrid vehicles and to increase awareness of the benefits associated with driving a clean and green vehicle. Energy efficient cars create significant environmental benefits by reducing the amount greenhouse gases and smog-forming compounds in the air.

PROGRAM:

Reimbursement under this program is as follows:

II. Vehicle Eligibility Requirements

- Vehicle shall be purchased or leased from a City of Fontana auto dealer authorized to do business within the city.
- Vehicle shall be clearly identified by manufacturers make, model, and Vehicle Identification Number (VIN).

- Vehicles shall be fueled exclusively with Natural Gas or be a hybrid vehicle meeting both of the following criteria:
 1. Have a combined estimated new EPA miles per gallon rating of 34 miles per gallon or greater as published at <http://www.fueleconomy.gov/>; **and**
 2. Have a smog score of 9 or greater as published at <http://www.driveclean.ca.gov/>.

The Environmental Performance Label is your tool to finding the cleanest most efficient cars available. This Label is required on all new cars sold in California that are manufactured after January 1, 2009.

To find a vehicles smog score, look for the Label on a car's driver's side window or incorporated into the manufacturer's window sticker or online at <http://www.driveclean.ca.gov/>.

In California all vehicles manufactured after January 1, 2009 are required to display a Smog Score as part of the Environmental Performance Label (See example below). The Smog Score ranks each vehicle's pollutant levels of

Non-Methane Organic Gases (NMOG) and Oxides of Nitrogen (NO_x) relative to all other vehicles within that model year. Smog Scores are on a scale of 1 – 10, with 10 being the cleanest. The average vehicle available in California today has a Smog Score of 5.
