SUBJECT: Long-Range Property Management Plan (LRPMP)

RECOMMENDATION:

2) Determine that this action is exempt from the California Environmental Quality Act and direct staff to file a Notice of Exemption.

DISCUSSION:

As required by AB 1484 the Successor Agency to the Fontana Redevelopment Agency prepared a Long-Range Property Management Plan (LRPMP). The LRPMP addresses the disposition and intended future use of all real property owned by the former Fontana Redevelopment Agency (pursuant to § 34191.5(a.).)

The LRPMP addresses the transfer, disposition and future use of one-hundred sixteen (116) properties previously owned by the former Fontana Redevelopment Agency.

The LRPMP was presented to and approved by the Successor Agency on May 28th, 2013 and by the Fontana Oversight Board on June 14th, 2013. The LRPMP was subsequently submitted to the Department of Finance (DOF) for their review on June 18th, 2013.

Since submittal, DOF has requested a number of changes and modifications to the LRPMP. Specifically, DOF denied the proposed transfer of selected properties for "Government Purpose", because those property transfers do not meet certain requirements and/or criteria established under the law.

The Fontana Oversight Board addressed each of the changes proposed by DOF and approved modifications to the LRPMP at their meeting on Friday, April 4th, 2014. The revised LRPMP was subsequently submitted to DOF for their review and consideration on Friday, April 4th, 2014.
Oversight Board Action Report
May 16, 2014

Since submission of the revised LRPMP, DOF has requested an additional modification to the LRPMP. The proposed modification surrounds the following property:

- LRPMP Property #99 – APN #019437124
  Hilton Garden Inn Restaurant Parcel

DOF is requesting that this property be changed from “Enforceable Obligation” (the current designation) to instead be identified as “for sale”.

In addition, DOF has also requested that the Fontana Oversight Board approve the estimates of current property/parcel value contained within the revised LRPMP submitted on April 4th. To that end, we have attached a Chart detailing the estimates of value that were provided to DOF.

Please note: DOF is not objecting to or questioning the value estimates provided within the attached chart. They are only requesting that the Fontana Oversight Board approve the values as part of the revisions to the LRPMP.

Adoption of the attached Resolution and approval of these changes to the LRPMP by the Fontana Oversight Board will facilitate approval of the LRPMP by DOF and the transfer and disposition of properties previously owned by the former Fontana Redevelopment Agency in compliance with AB 1484.
