Mr. Edgar stated that properties that did not sell during the first offer period would go back on the market during the second offer period from December 1, 2014 through February 28, 2015. Mr. Edgar discussed the possible steps necessary if properties did not sell by that time.

7.) Authorize the City Manager to Negotiate and Execute Purchase and Sale Agreements and/or Any Other Documents Necessary or Appropriate to Implement Said Sales on Behalf of the Successor Agency to the Fontana Redevelopment Agency and Fontana Oversight Board.

DISCUSSION:

As required by AB 1484 the Successor Agency to the Fontana Redevelopment Agency prepared a Long-Range Property Management Plan (LRPMP). The Successor Agency
LRPMP addresses the transfer, disposition and future use of one-hundred sixteen (116) properties previously owned by the former Fontana Redevelopment Agency. Following review and approval by the Successor Agency and Fontana Oversight Board, the LRPMP was subsequently approved by the State Department of Finance (DOF) on May 23, 2013.

As established within the LRPMP there are ten (10) categories of former RDA properties that are to be offered “for sale”. It is important to note that the State Department of Finance (DOF) has established no specific processes or guidelines for the disposition of these properties, other than to “maximize value”. DOF has confirmed and acknowledged that the City is able to consider the ultimate use of the property, as well as the sales prices offered, as part of the disposition process.

Each of the LRPMP properties identified as “for sale” was placed on the market and advertised through the real estate brokerage community from August 1st through October 1st. Through that process, the Successor Agency received multiple offers on several properties. As a result, the following properties are being presented to the Fontana Oversight Board for acceptance of the “offers” and consideration of sale to the recommended buyers.

- **Downtown Commercial Building:**
  Located at 8647 & 8651 Sierra Avenue, in Downtown Fontana, this 4,800 square foot building is zoned C-2. The Successor Agency received four (4) offers from potential buyers interested in purchasing this building (please see attached Chart). The offer prices ranged from $75,000 - $240,000.

  The recommended buyer, Jack E. Long, was the highest priced offer received at $240,000. The intended use for the building will be to provide office space for the Fontana Foundation, a non-profit philanthropic organization.

- **Chaffey College Campus:**
  Located at 8965 Olive Street, this .79 acre (34,400 square foot) parcel was purchased for inclusion within, and as part of, the Chaffey College campus expansion project. The Successor Agency received two offers from potential buyers interested in purchasing this property (please see attached Chart). Because of the intended use, and the properties proximity to the existing Campus, Chaffey College is the recommended buyer. Chaffey College submitted a purchase offer of $185,269.

- **Holly Drive Properties:**
  Located on Holly Drive, just west of Sierra Avenue and adjacent to Westech College, these three properties encompass .60 acres (26,136 square feet) of land. The Successor Agency received two offers from potential buyers interested in purchasing this property (please see attached Chart). The offer prices ranged from $78,000 - $90,000.
The recommended buyer, the Segel Family Trust, was the highest priced offer received at $90,000. In addition, the Segel Family Trust currently owns the adjacent property located on the North-West corner of Sierra Avenue and Holly Drive. The intended use for the property will be to provide additional commercial development along Holly Drive.

- **SCE Easement Properties:**
  Located within the Southern California Edison easement in South Fontana, these nine (9) parcels encompass approximately 38 acres of land. The Successor Agency received one offer, from David D. Sorem, for the acquisition of five of the nine parcels of available land. The offer price is $100,000. David E. Sorem is purchasing the land with the intent to facilitate the installation of a recycled water main for the Inland Empire Utilities Agency (IEUA) on this property. Following that installation, there are no other intended or stated uses for the land.

- **Walnut Village:**
  Located within the Walnut Village Specific Plan, just south of Walnut Village Parkway and west of Mango, these nine (9) parcels encompass 5.1 acres of residentially zoned land. The Successor Agency received three (3) offers from potential buyers interested in purchasing these properties (please see attached Chart). The offer prices ranged from $675,000 - $701,000. The recommended buyer, Saber Awad/SA Golden Investments - was the highest priced offer received at $701,000. The intended use of the property will be to develop and construct 26 single-family detached homes. The proposed homes will all be single-story and will range in size from 1850 – 2000 square feet.

It is important to note that the Successor Agency does not assert any rights or make any claims regarding the retention or use of sale proceeds from any property identified within the LRPMP (other than those costs/expenses directly related to the sale). Therefore, following the sale of these properties, all of the net sale proceeds will be submitted to the County of San Bernardino Auditor-Controller’s Office (“Auditor’s Office”) for disbursement to the affected taxing entities.

On Tuesday, November 25, the Successor Agency adopted Resolutions approving the sale of these properties, owned by the former Fontana Redevelopment Agency, to the recommended buyer's.

Following consideration by the Fontana Oversight Board, the recommended property sale “offers” will be submitted to the State Department of Finance for their review and consideration. The Department of Finance may elect to approve or deny the submitted offers based upon their analysis of value. Based upon the allowable time-frames established for DOF’s review and consideration of the recommended “offers” it is anticipated that escrow will close on these properties in May, 2015.
Oversight Board Action Report
December 12, 2014

Adoption of the attached Resolutions and approval of the proposed buyers by the Fontana Oversight Board will facilitate the sale and disposition of selected LRPMP properties previously owned by the former Fontana Redevelopment Agency in compliance with AB 1484.
