DISCUSSION:
As required by AB 1484 the Successor Agency to the Fontana Redevelopment Agency prepared a Long-Range Property Management Plan (LRPMP). The Successor Agency LRPMP addresses the transfer, disposition and future use of one-hundred sixteen (116) properties previously owned by the former Fontana Redevelopment Agency. The LRPMP was approved by the State Department of Finance (DOF) on May 23rd, 2013.

The LRPMP identified ten (10) categories of former RDA properties to be offered “for sale”. The State Department of Finance (DOF) has established no specific processes or guidelines for the disposition of these properties, other than to “maximize value”. DOF has confirmed and acknowledged that the City is able to consider the ultimate use of the property, as well as the sales prices offered, as part of the disposition process.

Each of the LRPMP properties identified as “for sale” were placed on the market and advertised through the real estate brokerage community from August 1st, 2014 through October 1st, 2014. Through that process, the Successor Agency and Oversight Board approved the sale of five (5) LRPMP properties. The sale of those properties was subsequently approved by the State Department of Finance (DOF) and those sale transactions and escrows have now been fully completed.

As a follow-up to the original offering, the remaining LRPMP “for sale” properties were placed on the market and advertised through the real estate brokerage community from February 1st through March 30th.

Through that process, the Successor Agency received offers on three properties from private-parties/companies. In addition, the City of Fontana has also identified four properties to be acquired and retained for public use through this process.

To that end, the following seven (7) properties are being presented to the Oversight Board for acceptance of the “offers” and consideration of sale to the identified buyers (private and public).

- **6580 Oleander Avenue;**
  Located at 6580 Oleander Avenue, within the Fontana Auto Center, this .82 acre site is part of the Auto Center Overlay Zone.
  VRP Incorporated has submitted an offer of $40,000 to acquire this parcel.
  VRP Inc., are the owners of the KIA Dealership to be constructed on the North-West corner of Oleander and South Highland Avenues.

The intended use for this property will be auto-related, in support of the new KIA Dealership (located directly across the street).

- **6384 Knox Avenue;**
  6384 Knox Avenue, consisting of .88 acres of land (and currently zoned residential), is located directly across from the proposed 210 Sports Park. New Legacy Development Corporation has submitted an offer of $40,000 to acquire this parcel.
New Legacy Development Corporation intends to utilize the property for the construction of single-family homes.

- **9432 Sierra Avenue:**
  9432 Sierra Avenue, consisting of 1.02 acres of land (and currently zoned commercial), is located North of - and adjacent to - Westech College. Dix Development Corporation has submitted an offer of $244,370 to acquire this parcel.

Dix Development Corporation, builders of the Westech College Facility, intends to utilize this property (along with the adjacent City-owned parcel) for construction of a Medical Office Building.

- **SCE Easement Properties:**
  Located within the Southern California Edison easement in South Fontana, these nine (9) parcels encompass approximately 55 acres of land. The City of Fontana has submitted an offer for the acquisition of these nine parcels of land. The offer price is $25,000. There are currently no intended or specific uses for the land, other than to preserve the property as “open space”.

- **I15/Duncan Canyon Property:**
  Located at Duncan Canyon and Lytle Creek Road in North Fontana, this “remnant” parcel encompasses approximately .36 acres of land. The City of Fontana has submitted an offer for the acquisition of this “remnant” parcel. The offer price is $1,000. There are no intended uses of the land, other than to preserve the property as “open space”.

- **Wheeler Avenue Property:**
  Located on Wheeler Avenue in Downtown Fontana, this property (currently being utilized for parking) encompasses approximately .08 acres of land. This parcel is located North of – and adjacent to - a similar sized property owned by the City of Fontana, which is also being utilized as parking. The City of Fontana has submitted an offer for the acquisition of this parcel. The offer price is $10,000. The City of Fontana is acquiring this property to ensure the continued use of this land as parking for businesses located in Downtown Fontana.

- **South Highland & Citrus Avenue Properties:**
  These six (6) individual parcels encompass approximately 1.02 acres of land. The parcels are part of a larger (commercial zoned) development area located on the North-West corner of South Highland and Citrus Avenue. The entire development area encompasses approximately 7.8 acres of land – including approximately 6.7 acres of land that is currently owned by the City of Fontana.
The City of Fontana has submitted an offer for the acquisition of these parcels. The offer price is $100,000. The City of Fontana is acquiring these parcels to ensure their inclusion as part of the larger commercial development.

The Successor Agency does not assert any rights or make any claims regarding the retention or use of sale proceeds from any property identified within the LRPMP (other than those costs/expenses directly related to the sale). Therefore, following the sale of these properties, all of the net sale proceeds will be submitted to the County of San Bernardino Auditor-Controller’s Office (“Auditor’s Office”) for disbursement to the affected taxing entities.

On Tuesday, April 28th the Successor Agency reviewed and approved the sale of these selected LRPMP properties to the respective buyers (for the identified amounts). Following consideration by the Oversight Board, the recommended property sale “offers” will then be submitted to the State Department of Finance for their review and consideration.

The Department of Finance may elect to approve or deny the submitted offers based upon their analysis of value. Based upon the time-frames established for DOF’s review and consideration of the recommended “offers” it is anticipated that escrow would close on these properties in July, 2015.

Adoption of the attached Resolutions and approval of the proposed buyers by the Oversight Board will facilitate the sale and disposition of selected LRPMP properties previously owned by the former Fontana Redevelopment Agency in compliance with AB 1484.

Section 2. CEQA Compliance. Pursuant to California Environmental Quality Act (Pub. Resources Code, §§ 21000 et seq.)
